

Holy Spirit Break In

Music and Lyrics by
Greg Chastain

Waiting on Your Spirit
We've come to seek Your face
Lord hear our repentance
As we gather in this place
We're lost without Your mercy (*have mercy Lord*)
Shack-led by our sin (*for-give us Lord*)
As You pronounce forgiveness (*we thank you Lord*)
We yearn to enter in

We need your presence Lord
We need Your power and grace
Breath life into our hearts
Come ride upon our praise

Come fill our hearts
With a rush of your wind

Holy Spirit, break in
Holy Spirit, break in!
Holy Spirit, break in
Holy Spirit, break in!

By Your Spirit Lord
Point our way to truth
What our hearts are missing
Can only come from You
We need your presence Lord
We need Your power and grace
Breath life into our hearts
Come ride upon our praise

Come fill our hearts
With a rush of your wind

Holy Spirit, break in
Holy Spirit, break in!
Holy Spirit, break in
Holy Spirit, break in!

Our Savior our Redeemer (*We love You Lord*)
Your love sent sacrifice (*We love You Lord*)
For me to-day Lord Jesus (*I love You Lord*)
You laid down Your life

We need Your Spirit Lord
The comforter You gave
Calling us to Jesus
By whose name we're saved!

Come fill our hearts
As we enter in.

Holy Spirit, break in
Holy Spirit, break in!

Come fill our hearts
Again and again and again and again

Holy Spirit, break in
Holy Spirit, break in!
Holy Spirit, break in
Holy Spirit, break in!

Break in Lord

Praise You Lord
We thank You Lord Break
