

Your Love Is Good

Words and Music by
Greg Chastain

Your love is good
Your love is great
Brings the light to the darkness
Turns my weakness to strength
Your love is awesome
From morning to night
Your love is faithful
Your love is better than life

And we cry Your love
Your love Your love is good!
We declare Your love
Your love
Your love is good

Your love is migh-ty
Stronger than we could know
Your loves forever
Your love will never let go

Your loves the rock
Nothing can shake
Your love is power
Only your love can save

We cry Your Love
Your love Your Love is good
Oh we cry Your
Your Love
Your love Your Love is good

Your love is perfect
You took me just as I am
Cleansed th heart of a sinner
By the blood of the Lamb
Your love is good
Your love is great
Breaks the shackles of sin
Completely destroyed the grave
